

Te Kura Kaupapa Māori o Tuia te Matangi Kia Wairua Māori. Kia Tangata Māori. Kia Reo Māori. Ana te Hā! Te Wāhanga 1, Wiki 7 – Rāhina 14 Poutūterangi 2022

'Teitei ake te maunga māro hoki te kake. Rawe rā te tirohanga i te mutunga.' Though the climb may be hard, the view is magnificent/ without comparison...

"...they committed themselves to the proposition that, 'I want to speak this language, I want this language to survive, I want my children to speak this language..." Sir Timoti Karetu.

I want to start by acknowledging the enduring job whānau have been doing in being COVID prepared; vigilant and cautious with the health and wellbeing of your tamariki and in turn all our tamariki and kaimahi here at kura. Whilst we have had whānau experience close-contact isolation, we have also been one of the last education sites in Te Tauihu to present COVID cases, and that has been to the credit of your actions. This week our pouako and reanga have started integrating hybrid learning to ensure those ākonga who are isolating, can still be engaged in classroom learning as and when appropriate for them.

In this HPM edition, an updated flowchart will be included to help with how we can stay on top of what information the kura may need from you, and how our communications with the kura needs to be in order to remain connected and supportive of one another. As always, don't be surprised again, unfortunately, if it looks different than the other day BUT we are trying hard to maintain the same steps as much as possible.

Last week, through the Māori Health Networks, TKKM o Tuia te Matangi received a box of Rapid Antigen Tests, or R.A.T's. These tests have been given to the kura to assist us with testing our kaimahi and supporting our ākonga and whānau to access the tests when you may otherwise have to wait in long, COVID Testing station lines, or pay for them. We are grateful for being a consideration of need, and the fast-thinking of our hāpori Māori to ensure our kura are taken care of. If you find yourself in a position of essential need, please do not hesitate to come and see either me or Whaea Janis. The tests are about protecting our whānau, not interrogating...

Turou Hawaiiki, Matua Antz

T4 2022, Powhiri

Labour long wknd

SwimMagic Richmond has teamed up with NBS to be able to deliver a number of free swimming lessons to school-aged children, The lessons provide them with fun and stability, as well as really important safety skills around water.

Families can simply apply via the website to be considered for the programme. Successful applicants will be given 12 weeks of SwimMagic learn to swim lessons, a towel, a swim bag and pair of goggles.

All the information is online here

https://www.clmnz.co.nz/richmond/news/sponsored-swim-lessons-from-swimmagic-and-nbs/

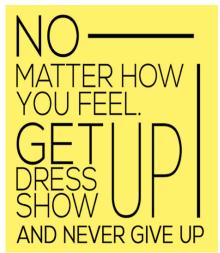

<u>Ti-pooro</u> - kua hikina te taakaro nei moo te waahanga nei, i runga i ngaa aahuatanga e peehia nei taatou i teenei waa. No t-ball rest of the term, due to widespread health conditions.

<u>Rippa</u> - ia te Paraire ki Tahunanui. E toru ngaa keemu e toe ana: (3 games remaining). Paraire 18, 25 o Maehe, 01 o Aperira

5.45pm Tau 7-8
Kua rahi ngaa kaitaakaro o Tau 7-8, kua
kore ngaa taaina e whai waahi ki roto
nei. Due to large number of Tau 7-8
players, younger year level students will
not be able to join this team.

E mihi ana ki ngaa maatua e whakahaere nei i ngaa tiima.

Be sure to get in behind our tamariki so they make it to their games!

> Don't worry about the Pouako Only Days...

RIPPA is still on this Friday 18 March! 4pm, 4.30pm, 5pm, 5.45pm Nau mai haere mai ki te taakaro!

HUI WHAANAU 7 pm trimata Wener ei 23 o Maehe LIUITOPA

POLIKO ONLY DIYS.

-WATCH THIS SPACE

A reminder that we have Pouako Only Days tomorrow, Thursday and Friday. Be sure to arrange your childcare etc.
Our Pouako have an exciting next couple of days learning more about a new curriculum kaupapa we look forward to introducing to the whānau soon!

So, to support the video and post that was uploaded to the TKKM o Tuia te Matangi RAUKURA Facebook page on Monday, please find a simple bullet-point checklist for our whānau. If you are unsure of anything, please feel free to contact the tari and speak with Whaea Janis...

- ✓ When COVID strikes your household, everyone of all ages needs to be tested on days 1 + 3 + 7.
 - Please inform the kura as soon as possible. We will mark the attendance registers to reflect the situation, and organise for MoE leaner packs to be sent home.
 - We have a supply of RAT's tests for whānau who may need them. Again they are to support our whānau to better ease the anxiousness and tension during this time. Please contact Whaea Janis directly to access.
- Once your tamaiti has been cleared through the testing, please inform the kura before sending them back on day 8. We will want to talk with you to see how the tamaiti is and if there is anything we need to be aware of.
- ✓ YES If there are still COVID-positive whānau members in your home, please test your tamaiti the same morning before they leave to return to kura.

This simple process keeps our Kura Hāpori safe. If we the whānau, do not test our tamariki as well and send them back to kura, we risk infecting others.

If a person has COVID they have to fully isolate, no contact with other members of the whanau while they are infected, it can take up to 5-6 days for COVID to show within a contact. Be honest and respectful whanau, this is not about getting rid of our tamariki because they are bored, it is about being responsible to all of our community of Tuia te Matangi. We need to understand that COVID looks different for everyone, some people might not show any symptoms and still have COVID.

Whaea Nadia Ngaawaka

Ko wai tō ingoa? Ko Nadia Te Wairua Ngawaka tooku ingoa

Nō whea koe? Iwi/hapū? Ngaa iwi: Waikato, Maniapoto, Apakura, Mahuta ki tai, Raarua. Ngaa hapuu: Pouraahui, Peehi, Te Kanawa, Kinohaku, Ruateatea, Waiaranui, Tonganui, Turangaapeke

Ko wai tō whānau? He Whanga-Katipa/Tahi-Hohaia tooku maamaa, noo ngaa hapuu maha o Te Nehenehenui. He Marshall/Maihi tooku paapaa noo Waikato-Ngaati Maahanga. Ko Levi Ngawaka taku hoa Rangatira, tokotoru ngaa maaua tamariki, ko Te Pohoi Toroa (8), Te Reiaaio (4) raatou ko Ngaringi (2).

introducing

I mahi au hei Kaiako matua ki roto i ngaa koohanga reo o Tuhikaramea, o Taawerawera ki te Kuao o Taupiri anoo hoki

Rapunga Whakaaro Akoranga - Kimihia ngaa puukenga o te tamaiti kia tuuwhitia ngaa tauaaraitanga. He Runaruna - Ngaa mahi toi, te maataki kiriata, whakarongo ki ngaa waiata hou

He aha ai ī noho tata koe ki ngā Kura Kaupapa Māori? E pai ai te tupu, te ako ngaatahi anoo me taku mataamua a Te Pohoi Toroa

Tangata Rongonui – he aha ai? "E kore teenei whakaoranga e huri ki tua o taaku mokopuna, ka puta he urukehu, he miihae noo tooku pito ake" (Naa Kiingi Taawhiao) Ko Te Arikinui Te Atairangikaahu.

He aha te Kapa Haka papai ki a koe? Noo mai raa anoo ko Te Whaanau-a-Apanui me Te Pou o Mangataawhiri. He aha te kai papai ki a koe? Te kai Kooriana
