# HE PUKE MĀRAMA

Te Kura Kaupapa Māori o Tuia te Matangi  
Kia Wairua Māori. Kia Tangata Māori. Kia Reo Māori. Ana te Hā!  
Te Wāhanga 4, Wiki 1 – Rāhina 12 Whiringa ā Nuku 2020

*Hāruru ana te mehameha o te manawa  
He ngirangira tē taea te pā  
Kei te kupenga tonu o Taramainuku  
ki te waka o te rangi.  
Nau mai e te mareikura i tau nei hei  
whakamanamana i te tono o Tuia te  
Matangi,  
Nau mai e te whatukura i tau nei hei  
mema poari mō Tuia te Matangi.  
whakapiripiri mai ki ō mokopuna ki te  
hei o Rehutai - Tihei maumahara!*

Yesterday we held our Term 4 Pōwhiri, with the addition of Nanny Nancy Te Mamae Buckley and Pāpā Pele Fa'auli's kawē mate also joining the occasion. *Nō tātou te whiwhi...* this is the first time that we have brought kawē mate and whakaahua into the kura and it is our privilege to have them adorn our walls in the tari space.

My thoughts moved between these two stalwart people, Aunty Nance and her example of Rangatiratanga, Wahinetoa, and Determination. As mentioned in previous HPM, she was the kuia who took our tono to Te Rūnanganui o Ngā Kura Kaupapa seeking endorsement to become a Kura Te Aho Matua. But if this is the only memory I have of her in the kaupapa, then I would be gravely remiss of so much more that she has done for our kura, the kaupapa, and reviving many aspects of Te Ao Māori here in Te Tau Ihu o te Waka a Māui! Aunty Nance and her beloved husband Uncle Keith (Karipa) moved to Whakatū and lived at Whakatū Marae while here. Their contribution to the Paetapu and willingness to pass on their knowledge was a treasure and privilege for all that received it, and we heard this same message from many who spoke yesterday. Tuia te Matangi continues to be a recipient of her legacy through mokopuna that have attended as ākonga, and of course, our Whaea Dayveen who has been, and continues to be a poutokomanawa for us and the kaupapa!

He uri nō Ngāpuhi, nō Hāmoa hoki! Pāpā Pele was a man of virtue & integrity, and lived his life for the service and upiftment of his fellow man. I personally, have been a recipient of his love and guiding hand in my life, and that of my children also. Pāpā Pele was quite a humble man, but always ready to share anything he had with anyone, and we acknowledge Whaea Lara Wharerau for bringing him into our kura to serve on the Poari

Matua (Board of Trustees). A fact that some whānau may not know about Pāpā Pele, was that he was instrumental in establishing Te Wharekura o Kaikohe. Many of those board members had already been in touch with the kura once they knew he was coming into our rohe, and we remain grateful that he so willingly gave of himself and his time to Tuia te Matangi. As we all know, behind every great man is a great woman, and no less can be said for his sweetheart, Aunty Helen, who came with her whānau to settle Pāpā Pele into the kura.

Lastly on this note, whilst our two tamāhine have been with us since the start of the year, we acknowledge Lysia Gallop (ākonga 2013-2014) and `KaariamaiPāpā de Thierry (ākonga 2013-2016), who will now also adorn the walls with Aunty Nance and Pāpā Pele! We can definitely feel the Wairua our four whānau and their strong links to Ngāpuhi!

From honouring our mate, we were excited to welcome Wairā Hopa into Tuia te Matangi. We recognise Whaea Kimiora and her continued contribution to the kaupapa and look forward to having Wairā with us!

This week also marks the last term for 2020! Whilst this gives us a better glimpse of the end line for kura, there is still so much being packed into the next 9-10 weeks.

To kick things off, we are in the last 5 weeks of our regionals kapahaka campaign. Our tamariki worked hard yesterday so we could get an accurate gage of who has been practicing during the holidays and who may not have. As their parents you will know the answer to this also, whether this is lacking, needs to improve, or if they are on track and ready to take the atāmira. The stage team will be named at the end of this week so please support your tamariki to get on top of their material if they are not already. Some of the kaupapa in our haka and waiata are really heavy and important for who our tamariki are as ākonga of Te Aho Matua, and we want their strength to ooze all over the competitive stage. Again, there are some specific notes for whānau to keep updated with so read carefully to ensure that you don't miss out on anything in the kapahaka space.

Last week our pouako travelled to Waitaha to participate in a Whakahihiko wānanga hosted by Te Kura Whakapūmau I te Reo Tūturu ki Waitaha, learning about coding, loops, robots, rorohiko-kore, te patuiro, whakaaro hātepe and a raft of other learning and development in the kaupapa 'Matihiko'! We are excited to implement our learning into the daily spaces of the ākonga and have no doubts that their abilities to pick up this kaupapa will be far superior to our own – it's their's for the taking and we can't wait to see where we can go with this kaupapa!

Another reminder that nominations close for our By-Election this Friday, 16 October, 5pm. We have now installed a black key-lock box in the tari (next to the evacuation posters). Please utilise this to place your nomination forms, and our Returning Officer is clearing this daily.

Concluding, you will note the top imagery is of our Māori electorate candidates for Te Tai Tonga. The main message or reminder from this whakaahua tātou mā, is to encourage you all to utilise your right to vote, and V O T E! It's not about who you should vote for, but that you do. And furthermore that you have a long-term, sustainable voice in government that will lead us into the future. *"If you are neutral in situations of injustice, you have chosen the side of the oppressor!"* Desmond Tutu

Believe in You. Believe in Us! , Matua Antz

A TANGATA WHENUA PERSPECTIVE AND CELEBRATION OF WOMANHOOD

Unfortunately, to date we have had a very low response from whānau for your daughters to attend this kaupapa. We are thinking that maybe it's because of the long period in between registering and the wānanga date??? Therefore, we have extended the deadline date to this Friday. Please ring Whaea Janis in the tari if you need another form or have any questions.

## Tuia te Matangi Reo Māori Classes

Classes held every Wed, 5pm-6pm in Rūma Whānau, using Papawhakākōrero methodology

These classes have now been extended to Term 4

'Te reo Māori in the home: Reo Māori equal to, or greater than that of your tamaiti. At least one parent/caregiver must have te reo Māori or is currently studying/enrolling on a reo Māori course, to be able to support your tamaiti. The Māori language must be growing in your home to ensure that as your child's reo grows, so does that of his/her immediate environment'. TKKM o TTM Whakauru Tamaiti Form

INVESTING IN OUR WHĀNAU, INVESTING IN OUR TAMARIKI!

- 99% of the material has been taught. Please talk with your tamariki and keep up the @home practices. It is very obvious when we come together, who has been practicing at home and who hasn't. Tamariki are more enthused and excited to perform when whānau are there cheering them on all the way! Again, check previous HPM's for the google link containing the waiata material,
- We are working on the days' shedule and will have this circulated for your reference very soon. Expect a number of changes e.g. transport pick-up time and places, and where, when, & how whānau can assist,
- On Friday the stage team will be named for TKKM o Tuia te Matangi. I have phoned some parents whose tamariki may not make it, just in case they want to intensify their home practices. If you want to check in on your child's progress, feel free to send either myself or Māmā Wirihana a PM on Facebook. We will endeavour to get back to you. It is important to understand that making the stage team doesn't mean the hard work is over, it's only just kicking in!
- It is imperative to the team dynamics and choreography that tamariki are at kura. The kapa suffers when tamariki are absent and it is left to their team mates to figure out movements that rely on everybody to get it down! We understand when tamariki are sick, but just 'having a day at home' is not acceptable, for this kaupapa, or any really,
- Stage times are: 2.00pm: TKKM o Tuia te Matangi  
5.45pm: Tuakana (Ngā Taniko o Kiwa)
- General Sale Tickets started on Monday. Tickets for this event can be purchased from [www.eventbrite.co.nz](http://www.eventbrite.co.nz). Prices are: \$10.00/pakeke, \$7.00/Kaumātua & Tamariki. Make sure to get your tickets sorted – **no ticket no entry!**
- There will be Kai Stalls so make sure to take some putea with you just in case you get hungry or thirsty.
- Kaihaka Kits (Essential Performer Tools) Prepared & Ready  
The following is a comprehensive first list of items that each performer usually has in their kit. Please pay particular attention to the underwear. 2 pairs just in case there's any accidents, and detailed purposely so you know which style to purchase... Where there are whānau with more than one sibling performing, items may be shared if you choose to – don't feel you have to equip them each with their own kits if you can save by them sharing 😊...

- 2x Black underwear (speedo-style for boys and girl NO shorts or boxers), solid black in colour
- Wetwipes/tissues/vaseline (for sweat lines)
- Water bottle (wai māori only)
- Hair: Hair brush, black hairties/bobby pins, Mousse
- Face: Black eyeliner & lipstick non-fading (with halloween fast-approaching, black lipstick should be easy to find)
- Deodorant (if needed and usually worn)
- Black Jandals/sandals (to wear from kura to stage)
- Taonga kaki/heru/taonga taringa (just in case)
- A secure named bag to place everything in
